My name is Moira Koett, and I am extremely proud that this is my 17th year in education and 13th year at College Hills Elementary. I have had the pleasure of teaching Kindergarten, 2nd grade, 3rd grade and now the Reading Specialist at College Hills. As the Reading Specialist, my primary goal is to help readers in 3rd and 4th grade become more skillful readers along with supporting teachers in teaching literacy skills. Married for 25 years, my husband and I are now empty nesters as our daughter graduated from Texas A&M this year, Whoop!! The magic of watching children learn to read, improve their reading, and develop a joy for reading is amazing! I absolutely love what I do!

I have been the Early Intervention Specialist at College Hills for 9 years. I have been in education for more than 30 years and have taught Kindergarten to 9th grade Pre-Algebra. I graduated high school in Inola, Oklahoma, received my bachelor's from Eastern New Mexico University, and my master's and specialist from University of Southern Mississippi. I moved to Texas in 2006 after Hurricane Katrina hit the Gulf Coast to be closer to my family and have loved every minute of it! I love being a part of the College Hills Family and CSISD!

My name is Elizabeth Vega. I'm excited about my 13th year in education and my 6th year as the Bilingual Reading Specialist at College Hills Elementary. I grew up in the Bryan/College Station area. I received a degree in Spanish from Texas A&M University. Fighting Texas Aggie, Class of '03, WHOOP! I taught Kinder and First grade for 7 years before coming to CSISD. Helping Readers grow is my passion! I am blessed to be a part of the CSISD family and love what I do! "Tell me and I forget. Teach me and I remember. Involve me and I learn." Benjamin Franklin
