

Fourth Grade

Launching: Creating a Community of Readers

Introduction

In this unit, you'll develop a culture of deep and rich experiences within classroom communities that foster a love and appreciation for literature and build life-long readers. You'll teach readers that understanding a story hinges on strategies that can apply to all types of genres and that these strategies will equip them to read with the grit necessary to tackle a variety of challenges within text.

Bends in the unit:

Bend 1: Creating a Community of Readers

Bend 2: Understanding the Story

Bend 3: Tackling Challenging Texts
