

# South Knoll Elementary

*Jessica Pany*  
*Reading Specialist*

*Rachel Beachy*  
*Early Intervention Specialist*

*Maria Limon-Saenz*  
*Bilingual Reading Specialist*

I'm Jessica Pany and I am the Reading Specialist at South Knoll Elementary. I began my career in education in 1996 after graduating from Texas A&M. I received my Master's degree in Educational Administration in 2005. Throughout my career, I have held many different positions - 3rd and 4th grade teacher, Professional Development Specialist, Elementary Language Arts facilitator, Assistant Principal and now my dream job as a Reading Specialist.

I am originally from Alabama, but married a Texan and we love College Station. We have 3 children that keep us busy. We love to travel to the beach, but our favorite destination is always Disney World! I feel so blessed to share my love of reading with such an amazing group of educators and students every day.

My name is Rachel Beachy and I am the Early Intervention Specialist at South Knoll Elementary. I have been an educator for 15 years serving as a classroom teacher, mentor, master teacher, and specialist. I am passionate about ensuring early readers develop the skills necessary to support their future as literate learners, and am so fortunate to work with these young children every day. I grew up in Austin, but got to Aggieland as fast as I could! I graduated from Texas A&M University, went on to pursue a master's degree in early childhood education, and am currently working on my doctorate degree in reading. WHOOP! I have been blessed to grow as a teacher in Dallas ISD, Bryan ISD, and now CSISD. I believe in the children of College Station ISD and look forward to continuing to grow readers!

My name is Maria Limon-Saenz. I am the Dual Language Reading Specialist at South Knoll Elementary. I began my teaching career in 2007 after graduating from Texas A&M University. I taught the Dual Language Kindergarten for 6 years and 1st grade Dual Language for 1 year before moving into the Specialist position. I completed my Master's degree in Special Education and am certified as an Educational Diagnostician. I have two grown children. My son serves proudly in the U.S. Army. In my free time I enjoy spending time with my family traveling and gardening.
